SO MUCH MORE THAN A BIBLE STUDY

Now more than ever women are thirsting for **community** and looking to **re-engage** with their **faith**. Walking with Purpose offers an opportunity to help parishes bring women back. Without putting added burden on pastors and parish staff because **FREE** training and support is offered to lay women leaders.

Walking with Purpose(WWP), the swiftly growing women's Catholic Bible study ministry will be hosting a webinar on July, 21st. [More information](#). This is an opportunity for women to learn about this swiftly growing ministry now offered in 430 parishes, in 107 dioceses, in 44 states around the US. This [flyer](#) can be shared with women parishioners and printed for parish bulletin boards.

Surveys show that since they began WWP:

- **86% of participants shared that their Catholic faith is stronger**
- **86% shared that their relationship with Christ is stronger**
- **90% shared that they would recommend WWP to a friend**
- **89% shared that their prayer life has improved**

All study guide materials have received the imprimatur of Archbishop William Lori of Baltimore and are grounded in Catholic teachings and the Catechism.
