Are you ready to see your  
parish come alive?

*At Divine Renovation we've accompanied hundreds of parishes on the journey of renewal. We've discovered that in every missional parish there are three common factors.*

*We call these the Three Keys to Parish Renewal:*

### The Power of the Holy Spirit

By creating a culture of prayer, we tap into the power of the Holy Spirit—and our parishes come to life.

### The Primacy of Evangelization

By prioritizing evangelization, more people get to encounter Jesus—and our parishes grow.

### The Best of Leadership

By honing our talents and gifts, we share responsibility for leadership—and our parishes thrive.
